having its principal place of business at:

Byvägen 218, 68555 Bosund, Finland

has declared following articles for the EU markets:

Article	Description	Assessment date
Plastmek-sheet	A Fiberglass sheet, gelcoat	03/02/2020

REACH STATEMENT:

We hereby certify that the products PLASTMEK-SHEET (RT38725) manufactured by Plastmek Product Oy comply with the requirements of the European Union Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Notifications of SVHC substances or restrictive measures, as described by Annex XIV and Annex XVII of REACH are not required. According to available data substances listed on the SVHC list, substances subject to authorization (Annex XIV) and substances with restrictions (Annex XVII), are not found.

This statement may need to be revised if new data is presented, which show, that concentrations of hazardous substances exceed the threshold values set in the REACH regulation above which actions and/or restrictions must be taken. Revision of this statement and conclusions may also be needed if the foreign manufacturer is changed, the composition of materials in the articles are changed or regulatory amendments so require.

According to information we have during the assessment date we hereby declare the products are suitable for the EU markets.
